Dear Uiv,

Thank-you for everything you have done for me in the last ten years, all the help and support you have given me and mostly, for teaching me to dance.

Thank-you for all the confidence you've had in me, for helping me to believe in myself, for not letting me give up and for all the patience you had.

You are a great teacher and I will miss your classes and company so much. I will also miss dancing all the fantastic dances you choreographed.
