Dear Viv,

Just a line to say how I enjoyed the wonderful show Stages put on last night. What a lot of work! I must admit it wasn't until I was reminded by the little ones doing all their steps (the Ugly Bug Ball - SWEET!) of how both Faye and Nancy started off, and so of course, how Nancy has come on.

As was said on the night, Viv, your commitment to these youngsters is evident and they obviously enjoy themselves and are a credit to you.

Well done, and thanks for everything.

Best wishes
Lindsay Sadler
